

STUDENT REGISTRATION *Spring 2012*

Irish Dance classes are offered in Danbury, Newtown, and Niantic and are run in two semesters: September - January and February - June.

Our student body is made up of both children and adults of all ages and levels. We offer both recreational dance classes for fun and exercise, and competitive classes for those who wish to dance competitively at local, national and international levels.

Irish Dance is a great sport no matter what direction you choose to take. It is great exercise that builds self-esteem, confidence and self-discipline.

For those who are passionate about dance a second weekly class is recommended. Two weekly step classes are required and a third class is highly recommended for competitive dancers at the preliminary and open championship level of dance. Competitive dancers at a Novice or Prize Winner level who wish to enter the traditional set competition at the New England Oireachtas must also take two weekly step classes.

Our calendar with details of all classes is on our website www.grayschool.com

Please email iris@grayschool.com for the Danbury and Newtown class assignments.

Please email maura@grayschool.com for Niantic class assignments.

Please complete all information, even if you have previously completed our registration forms. This allows us to make sure that all our contact information is correct.

STUDENT TRANSFERRING FROM OTHER SCHOOLS:

(This fee is for transferring students only; it is NOT for new students to Irish Dance)

We are members of An Coimisiún Le Rincí Gaelacha in Dublin, Ireland, the New England Irish Dance Teachers Assoc. and the North American Irish Dance Teachers Assoc. This means that we are certified teachers and or adjudicators and must follow all of commission rules and regulations. One rule which we must make you aware of is that any new student coming into our school who previously took Irish dancing from another certified teacher must serve a six-month retraining period. This means he/she may not enter competitions during that period. A student who is leaving our school and chooses to go to another certified teacher must also serve a six-month retraining period. This rule does not affect students that have relocated to a new area, although many teachers recommend it. This rule is to ensure that a student will feel comfortable with their new material and style.

For transferring students: The New England Region requires a \$25 fee made out to IDTANE to process all paper work.
